High Volume Needles

Overlook Industries, Inc. developed the high volume line to quickly and accurately dispense large volumes without splashing, dripping or foaming. Please review the following summarized application tables. Be sure to call **888.4NEEDLE** to discuss your application.

Application Table:	...
Lotions	Condiments
Ointments	Liquid Soaps
Dressings	Essential Oils
Saline Solutions	Gasoline Additives

High Volume Dispense Issues:	Overlook Industries' Solutions:
Foaming, Splashing	Integrated Screen, Quad Spray design
Dripping	Valving or tapered end
Slow Production Rates	Redesigned nozzle to maximize machine speed
