Microdispense Volume Needles

Overlook Industries, Inc. approaches its ultra low volume dispensing line with quality and focus. Our micro-dispense line dispenses volume down to 20nL. Please review the following summarized application tables. Be sure to call **888.4NEEDLE** to discuss your application.

Application Table:	
Dispensing Onto Glass or Mylar Plates	Dispensing for Diagnostic Test Kits
DNA and Genetic Research	Pharmaceutical Processing
Contact Lens Applications	Trans -Dermal Patches
Cyanoacrylates Adhesives	Striping of Substrates

Micro-Dispense Issues:	Overlook Industries' Solutions:
Wetting or liquid buildup on tip	Range of fluorinated coatings
Problem targeting of tips	Custom carriage to locate needles
Difficulty in setting tip height	Custom carriage and Set Block Holder
